## COTS Hardware

SKU	List Price	Name	Description	Notes
SLC-CMP-NA-R01	\$3,590.00	SecureLogix® Compute Server Nano	SecureLogix® Compute-Optimized Server Platform, Nano. Revision 01. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-CMP-MU-R02	\$4,790.00	SecureLogix® Compute Server Micro	SecureLogix® Compute-Optimized Server Platform, Micro. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-CMP-SM-R02	\$6,700.00	SecureLogix® Compute Server Small	SecureLogix® Compute-Optimized Server Platform, Small. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-CMP-LG-R02	\$20,590.00	SecureLogix® TAA Compliant Compute Server Large	SecureLogix® TAA Compliant Compute-Optimized Server Platform, Large. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-CMP-XL-R02	\$22,390.00	SecureLogix® TAA Compliant Compute Server X Large	SecureLogix® TAA Compliant Compute-Optimized Server Platform, X Large. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-NET-XL-R02	\$23,690.00	SecureLogix® TAA Compliant Network Server X Large	SecureLogix® TAA Compliant Network-Optimized Server Platform, X Large. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-STO-SM-R01	\$11,100.00	SecureLogix® Storage Server Small	SecureLogix® Storage-Optimized Server Platform, Small. Supports Revision 01. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.
SLC-STO-LG-R02	\$30,090.00	SecureLogix® TAA Compliant Storage Server Large	SecureLogix® TAA Compliant Storage-Optimized Server Platform, Large. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.

SLC-STO-XL-R02	\$42,090.00	SecureLogix® TAA Compliant Storage Server X Large	SecureLogix® TAA Compliant Storage-Optimized Server Platform, X Large. Revision 02. Supports SecureLogix Applications.	Refer to specification sheet for compatible applications supported on this platform.

## ETM® System

SKU	List Price	Name	Description	Notes
<b>ETM® 1000 Series Communications Appliances</b>				
ETM-1024-APPL	\$2,995.00	ETM® 1024 Communications Appliance	ETM® Analog Communications Appliance. 24 analog channels, 1U chassis. Session licenses sold separately.	<ul style="list-style-type: none"> <li>• 24 analog channels, 1U chassis</li> <li>• Session licenses sold separately (24 sessions)</li> </ul>
ETM-1090-APPL	\$2,995.00	ETM® 1090 Communications Appliance	ETM® Digital Communications Appliance. One digital span for T1 PRI, T1 CAS, E1 PRI or E1 CAS, 1U chassis. Session licenses sold separately.	<ul style="list-style-type: none"> <li>• One digital span for T1 PRI, T1 CAS, E1 PRI or E1 CAS</li> <li>• Session licenses sold separately (24 sessions)</li> </ul>
<b>ETM® 2100/3200 Series Communications Appliances</b>				
ETM-2100-CHS-AC-R01	\$2,995.00	ETM® 2100 Chassis	1U space-saver chassis with one (1) slot for one (1) Controller Module and one (1) Digital Trunk Interface Module pair to support up to four (4) digital spans	<ul style="list-style-type: none"> <li>• Supports one card set and up to four (4) digital spans</li> <li>• Auto-switching 100/240 VAC Power Supply</li> <li>• RoHS compliant.</li> </ul>
ETM-3200-CHS-AC	\$3,995.00	ETM® 3200 Chassis (AC Power)	2U High-density chassis with four (4) slots for 1-4 Controller Module and Digital Trunk Interface Module pairs to support from 1-16 digital spans	<ul style="list-style-type: none"> <li>• Supports 1-4 card sets and from 1-16 digital spans</li> <li>• Two hot-swappable power supplies, auto-switching (100/240 VAC) power supplies</li> <li>• Hot-swappable fan tray</li> <li>• RoHS compliant.</li> </ul>
ETM-3200-CHS-DC	\$3,995.00	ETM® 3200 Chassis (48 VDC Power)	2U High-density chassis with four (4) slots for 1-4 Controller Module and Digital Trunk Interface Module pairs to support from 1-16 digital spans	<ul style="list-style-type: none"> <li>• Supports 1-4 card sets and from 1-16 digital spans</li> <li>• Two hot-swappable, auto-switching (36-72 VDC) power supplies</li> <li>• Hot-swappable fan tray</li> <li>• RoHS compliant.</li> </ul>
ETM-CTRL-MOD-8540-R02	\$4,695.00	ETM® Controller Module	Controller Module with 8540 series microprocessor used in ETM® 2100/3200 Series Appliances. Session licenses sold separately.	<ul style="list-style-type: none"> <li>• One (1) Controller Module and one (1) Digital Interface Module (sold separately) comprise a "card set."</li> <li>• RoHS compliant</li> <li>• Session licenses sold separately, minimum of 24 per card</li> </ul>
ETM-DTI-MOD	\$1,995.00	ETM® Digital Trunk Interface Module	Digital Trunk Interface Module used in ETM® 2100/3200 Series Appliances	<ul style="list-style-type: none"> <li>• Each DTI Module supports from 1-4 digital spans (T1 [PRI or CAS], E1 [PRI or CAS] or SS7).</li> <li>• RoHS compliant.</li> </ul>
<b>ETM® System Software</b>				
ETM-SYS-SW	\$995.00	ETM® System Software	ETM® System client and server software for Windows or 64-bit Linux host platforms. Perpetual license.	<ul style="list-style-type: none"> <li>• Includes ETM® System documentation and one (1) ETM® Server License</li> <li>• For Windows or Linux host systems (See Minimum System Requirements for supported operating system versions)</li> </ul>
ETM-SYSTEM-SW-AIO	\$995.00	ETM® System All-in-One Software	All-in-one ETM® System client and server software for 64-bit Linux with Oracle XE database. Perpetual license.	<ul style="list-style-type: none"> <li>• Includes a virtual image for ETM® System documentation and one (1) ETM Server License with Oracle XE database and up to 11GB storage</li> <li>• For Linux host system (See Minimum System Requirements for supported versions of Linux).</li> <li>• If selecting this you must also add SKU ETM-SYS-SW to load the ETM client</li> </ul>
ETM-SIP-SW	\$0.00	ETM® SIP Application Software	ETM® SIP application software. Perpetual license. Session licenses purchased separately.	<ul style="list-style-type: none"> <li>• Includes one (1) SIP application software installation.</li> <li>• Session licenses purchased separately.</li> </ul>
ETM-UTA-SW	\$0.00	ETM® Unified Trunk Application (UTA) Software	ETM® Unified Trunk Application (UTA) software. Perpetual license. Session licenses purchased separately.	<ul style="list-style-type: none"> <li>• Includes one (1) UTA software Installation.</li> <li>• Session licenses purchased separately.</li> </ul>
ETM-CRC-SW	\$2,995.00	SecureLogix® Call Recording Cache System Software	SecureLogix® Call Recording Cache (CRC) System Software. Perpetual license.	<ul style="list-style-type: none"> <li>• Includes one (1) CRC application software installation.</li> <li>• Multiple CRCs within a network each require an instance of this software.</li> </ul>

ETM-SS7-SIG-ENT	\$75,000.00	ETM® System SS7 Signaling Link Server Enterprise License	ETM® System SS7 Signaling Link Software. Perpetual license.	<ul style="list-style-type: none"> <li>Unlimited right to use signaling link software on appliances managed by a single ETM® server.</li> </ul>
<b>ETM® System SIP and UTA Hardware and Software Bundles</b>				
ETM-APP-XS-HW-D	\$14,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Extra Small (1-500 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Extra Small (1-500 Sessions). Includes ETM Management Server, Usage Manager and Performance Manager Applications. Price per data center, minimum 2 data center deployment. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
ETM-APP-XS-HW-S	\$9,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Extra Small (1-500 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Extra Small (1-500 Sessions). Includes ETM Management Server, Usage Manager and Performance Manager Applications. Price per data center, minimum 2 data center deployment. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
ETM-APP-SM-HW-S	\$14,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Small (501-1000 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Small (501-1,000 Sessions). Includes ETM Management Server, Usage Manager and Performance Manager Applications. Price per data center, minimum 2 data center deployment. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
ETM-APP-SM-HW-D	\$19,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Small (501-1000 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Small (501-1,000 Sessions). Price per data center, minimum 2 data center deployment. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
ETM-APP-MED-HW-S	\$49,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Medium (1,001-5,000 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex Medium (1,001-5,000 Sessions). Price per data center, minimum 2 data center deployment. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
ETM-APP-MED-HW-D	\$59,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Medium (1,001-5,000 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex Medium (1,001-5,000 Sessions). Price per data center, minimum 2 data center deployment. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
ETM-APP-LG-HW-S	\$89,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Large (5,001-10,000 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Simplex, Large (5,001-10,000 Sessions). Price per data center, minimum 2 data center deployment. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Management Server or Database host platform nor Oracle license. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.

ETM-APP-LG-HW-D	\$99,995.00	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Large (5,001-10,000 Sessions)	ETM® UTA or SIP Application Software & Hardware Bundle, Duplex, Large (5,001-10,000 Sessions). Price per data center, minimum 2 data center deployment. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Management Server or Database host platform nor Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
<b>ETM® System SIP and UTA Software-Only Bundles</b>				
ETM-APP-XS-SW	\$4,995.00	ETM® UTA or SIP Application Software Bundle, Extra Small (1-500 Sessions)	ETM® UTA or SIP Application Software Bundle, Extra Small (1-500 Sessions). Price per data center. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.
ETM-APP-SM-SW	\$9,995.00	ETM® UTA or SIP Application Software Bundle, Small (501-1000 Sessions)	ETM® UTA or SIP Application Software Bundle, Small (501-1000 Sessions). Price per data center. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.
ETM-APP-MED-SW	\$42,995.00	ETM® UTA or SIP Application Software Bundle, Medium (1,001-5,000 Sessions)	ETM® UTA or SIP Application Software Bundle, Medium (1,001-5,000 Sessions). Price per data center. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.
ETM-APP-LG-SW	\$82,995.00	ETM® UTA or SIP Application Software Bundle, Large (5,001-10,000 Sessions)	ETM® UTA or SIP Application Software, Large (5,001-10,000 Sessions). Price per data center. Includes ETM Management Server, Usage Manager and Performance Manager Applications. Does not include Oracle license. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.
<b>ETM® Bundled Application Software and Span Licenses</b>				
ETM-SESSION-LIC-25	\$3,350.00	ETM® SIP or UTA 25-Session Bundle License	Bundled application per-span license for 25 concurrent sessions for SecureLogix® UTA and SIP applications. Includes Voice Firewall, Voice IPS, Usage Manager, and Performance Manager. Perpetual license.	Applies to the SIP or UTA application on a Cisco ISR G2, SecureLogix® Compute hardware, or COTS hardware (including each virtualized UTA instance).
ETM-SPAN-LIC-1S	\$3,995.00	ETM® Span License Bundle for SecureLogix® TDM Appliances	Bundled application per-span license for SecureLogix® TDM appliances that includes Voice Firewall, Voice IPS, Usage Manager, and Performance Manager. Perpetual license.	Each license supports activation of one (1) T1 (PRI or CAS), E1 (PRI or CAS), SS7 bearer span, or 24 analog lines. <b>For Federal Customers only.</b>
ETM-SESSION-RCD	\$399.00	ETM® Call Recorder Session License, Price Per Session	ETM® Call Recorder session license, price per session. Perpetual license.	Per-session license to activate the ETM® Call Recorder application.
ETM-ENCRYPT-SM	\$125,000.00	ETM® Encrypted Call Recording Bundle Small, 1-1000 Sessions	ETM® Encrypted Call Recording Bundle Small (1-1000 Sessions). Price per data center. Includes SRTP decryption module. Perpetual license.	If addition of encryption requires increased server resources, hardware upgrade included in the bundled price.
ETM-ENCRYPT-MED	\$562,500.00	ETM® Encrypted Call Recording Bundle Medium, 1001-5000 Sessions	ETM® Encrypted Call Recording Bundle Medium (1001-5000 Sessions). Price per data center. Includes SRTP decryption module. Perpetual license.	If addition of encryption requires increased server resources, hardware upgrade included in the bundled price.
ETM-ENCRYPT-LG	\$937,500.00	ETM® Encrypted Call Recording Bundle Large, 5001-10000 Sessions	ETM® Encrypted Call Recording Bundle Large (5001-10000 Sessions). Price per data center. Includes SRTP decryption module. Perpetual license.	If addition of encryption requires increased server resources, hardware upgrade included in the bundled price.
<b>ETM® Mobile Call Monitoring System</b>				

ETM-MOBILE-SYS	\$125,000.00	Mobile ETM® Call Monitoring System	Mobile ETM® System Hardware, Software, and License Bundle including: 7U EIA 19-inch transit case; ETM 3200 Appliance; 16 Digital Trunk Interfaces; ETM Call Recording Cache Appliance; 16 bantam-jack patch panel; 24-port Ethernet switch; Dell laptop with ETM Server and Oracle database; and rack-mounted power unit.	Bundled software included: <ul style="list-style-type: none"> <li>ETM® System Applications Suite Bundle</li> <li>Up to Sixteen ETM Bundled Digital Span Licenses (T1 [PRI or CAS], E1 [PRI or CAS], or SS7*)</li> <li>Sixteen ETM Call Recording Licenses</li> <li>ETM Software Media Kit</li> <li>Oracle database with 1 year support contract (ongoing Oracle support contract and upgrades not included)</li> <li>Standard 3yr Dell support contract on laptop (renewal of Dell support contract not included)</li> <li><b>*If SS7 is used, fewer bearer spans are available</b></li> </ul>
<b>ETM® System E-Learning</b>				
ETM-TRNG-CBT	\$1,595.00	ETM® System Computer-Based Training (CBT) Application, Per-User License	Computer-based training (CBT) application for the ETM® System and Applications, via download or on CD, License for a single user. Server/enterprise licenses available on a per-quote basis.	Includes the following courses: <ul style="list-style-type: none"> <li>ETM® System Overview and Operation</li> <li>ETM Voice IPS Policy Theory and Practice</li> <li>ETM Voice Firewall Policy Theory and Practice</li> <li>ETM Usage Manager Reporting</li> <li>ETM Call Recorder Theory and Practice</li> </ul>
ETM-TRNG-EL-ESOO	\$1,595.00	ETM® System Overview and Operation Online E-Learning Course Series Per-User One Year Subscription	Per-user one year subscription for the "ETM® System Overview and Operation" course series on the online SecureLogix® E-Learning Portal.	Includes the following courses: <ul style="list-style-type: none"> <li>ETM® System Overview and Operation</li> <li>ETM Voice IPS Policy Theory and Practice</li> <li>ETM Voice Firewall Policy Theory and Practice</li> <li>ETM Usage Manager Reporting</li> <li>ETM Call Recorder Theory and Practice</li> </ul>

## PolicyGuru® Solution

SKU	List Price	Name	Description	Notes
<b>PolicyGuru® Solution Hardware and Software Bundles</b>				
PG-APP-SM-HW-S	\$24,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Small (1-1,000 Sessions), Data Center 1	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Small (1-1,000 Sessions) for First Data Center. Minimum 2 data center deployment, price per data center. Includes Mediation Server, PostgreSQL Database and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment. Use SKU PG-APP-SM-HW-S2 for second data center.
PG-APP-SM-HW-S2	\$24,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Small (1-1,000 Sessions), Data Center 2	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Small (1-1,000 Sessions) for Second Data Center. Minimum 2 data center deployment, price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment. Use SKU PG-APP-SM-HW-S for the first data center.
PG-APP-SM-HW-D	\$43,295.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Duplex, Small (1-1,000 Sessions)	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Duplex, Small (1-1,000 Sessions). Price per data center, minimum 2 data center deployment. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.

PG-APP-MED-HW-S	\$62,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Medium (1,001-5,000 Sessions), Data Center 1	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Medium (1,001-5,000 Sessions) for First Data Center. Minimum 2 data center deployment, price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment. Use SKU PG-APP-MED-HW-S2 for the second data center.
PG-APP-MED-HW-S2	\$62,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Medium (1,001-5,000 Sessions), Data Center 2	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Simplex, Medium (1,001-5,000 Sessions) for Second Data Center. Minimum 2 data center deployment, price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment. Use SKU PG-APP-MED-HW-S for the first data center.
PG-APP-MED-HW-D	\$99,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Duplex, Medium (1,001-5,000 Sessions)	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Duplex Medium (1,001-5,000 Sessions). Price per data center, minimum 2 data center deployment. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
PG-APP-LG-HW	\$164,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Large (5,001-10,000 Sessions)	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Large (5,001-10,000 Sessions). Price per data center, minimum 2 data center deployment. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.
PG-APP-XL-HW	\$199,995.00	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Extra Large (10,001-20,000 Sessions)	SecureLogix® PolicyGuru® Application Software & Hardware Bundle, Extra Large (10,001-20,000 Sessions). Price per data center, minimum 2 data center deployment. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center, minimum 2 data center deployment.

### PolicyGuru® Solution Software-Only Bundles

PG-APP-SM-SW	\$15,795.00	SecureLogix® PolicyGuru® Application Software Bundle, Small (1-1,000 Sessions)	SecureLogix® PolicyGuru® Application Software Bundle, Small (1-1,000 Sessions). Price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.
PG-APP-MED-SW	\$42,495.00	SecureLogix® PolicyGuru® Application Software Bundle, Medium (1,001-5,000 Sessions)	SecureLogix® PolicyGuru® Application Software Bundle, Medium (1,001-5,000 Sessions). Price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.

PG-APP-LG-SW	\$102,999.00	SecureLogix® PolicyGuru® Application Software Bundle, Large (5,001-10,000 Sessions)	SecureLogix® PolicyGuru® Application Software, Large (5,001-10,000 Sessions). Price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.
PG-APP-XL-SW	\$126,095.00	SecureLogix® PolicyGuru® Application Software Bundle, Extra Large (10,001-20,000 Sessions)	SecureLogix® PolicyGuru® Application Software, Extra Large (10,001-20,000 Sessions). Price per data center. Includes Mediation Server, PostgreSQL Database, and Voice Analytics Applications. First-year Customer Care included. Session licenses sold separately.	Add applicable session licenses when using this SKU, First-year Customer Care included. Price per data center.

### PolicyGuru® Application Software

PG-MS-SW	\$0.00	PolicyGuru® Mediation Server Software	PolicyGuru® Mediation Server Software for distributed deployments. Perpetual license.	Mediation Server software for a distributed PolicyGuru® Solution deployment.
PG-ENUM-SW	\$0.00	PolicyGuru® ENUM Server Software	PolicyGuru® ENUM Server Software for distributed deployments. Perpetual license.	ENUM Server software for a distributed PolicyGuru® Solution deployment.
PG-MDP-SW	\$0.00	PolicyGuru® Metadata Probe Software	PolicyGuru® Metadata Probe Software for distributed deployments. Perpetual license.	Metadata Probe software for a distributed PolicyGuru® Solution deployment.
PG-DB-SW	\$0.00	PolicyGuru® Database Server Software	PolicyGuru® Database Server Software for distributed deployments. Perpetual license.	Database Server software for a distributed PolicyGuru® Solution deployment.
PG-APP-SW	\$100.00	SecureLogix® PolicyGuru® Application Software	SecureLogix® PolicyGuru® Application Software, priced per core for standalone and distributed deployments. Perpetual license.	SecureLogix® PolicyGuru® Application Software priced per core across a standalone or distributed deployment
PG-AIO-SW	\$0.00	PolicyGuru® All-In-One Server Software	PolicyGuru® All-In-One Server Software. Perpetual license.	Includes PolicyGuru® Mediation Server, Database Server, ENUM, Server, and Metadata Probe software.

## SecureLogix® Solution Session Licensing

SKU	List Price	Name	Description	Notes
SLC-SESSION-1K	\$59.95	SecureLogix® Session License (1-1000 Concurrent Sessions), Price Per Session	SecureLogix® Session License (1-1000 Concurrent Sessions), Price Per Session. Includes Voice Firewall and Voice IPS. Perpetual license.	SecureLogix® Session License (1-1000 Concurrent Sessions), Price Per Session. Includes Voice Firewall and Voice IPS.
SLC-SESSION-5K	\$53.95	SecureLogix® Session License (1001-5000 Concurrent Sessions), Price Per Session	SecureLogix® Session License (1001-5000 Concurrent Sessions), Price Per Session. Includes Voice Firewall and Voice IPS. Perpetual license.	SecureLogix® Session License (1001-5000 Concurrent Sessions), Price Per Session. Includes Voice Firewall and Voice IPS.
